

Ski Slopes

Some of the best ski slopes in the world!

The highlight of Kamui Ski Links is our 150m-wide slopes (Gold courses). With 25 world-class ski slopes including three alpine courses certified by the International Ski Federation (FIS), you'll never get bored!

Gondola to the summit (total length 2,327m)
Incredible view of the Ishikari Plain
Automatic gate to lift station

Getting to the summit is easy! The Kamui Gondola will take you to the top in just eight minutes.

When you reach the summit, you'll see the Ishikari River and the Ishikari Plain below. On a clear day, it's the perfect Instagram moment!

The lift station has an easy-to-understand IC gate allowing smart entry with no ticket.

Free **Free Wi-Fi**

Free Wi-Fi in selected buildings

Wi-Fi is available in the Center House and the restaurant at Café Mt. 751.

Free **Extensive information area**

Our information area has everything you need to know about the ski slopes and nearby tourist attractions.

Restaurants Area Guide

Sanroku (2F Center House)

Enjoy Kamui Ski Links' unique menu made from local ingredients. The most popular dishes are gukbaep (left), a Korean soup with rice that will warm you from the inside, and King of Kamui (right), a jumbo set meal that even two adults will struggle to finish.

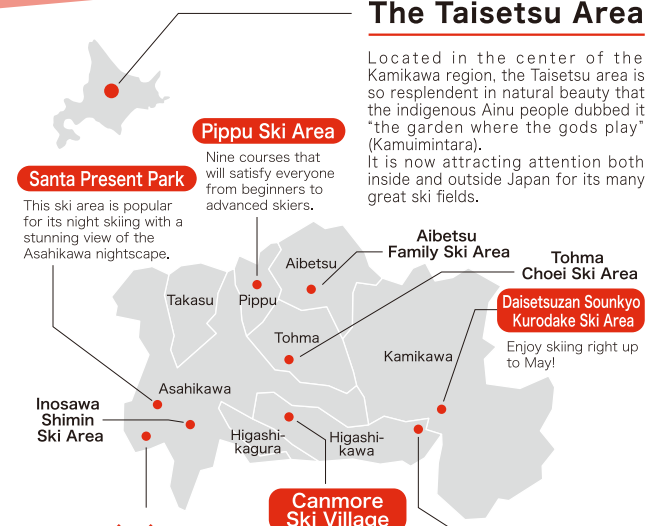

Café Mt. 751 (Summit)

With a panoramic view of the ski slopes and the Ishikari Plain from the big windows, the location doesn't get much better than this. Warm up in front of the big wood fireplace as you enjoy a light snack!

The super-popular curry bread (right) and sweet red bean paste donut (left).

The Taisetsu Area

Located in the center of the Kamikawa region, the Taisetsu area is so resplendent in natural beauty that the indigenous Ainu people dubbed it "the garden where the gods play" (Kamuihintara). It is now attracting attention both inside and outside Japan for its many great ski fields.

Asahikawa Airport **Asahiyama Zoo** **Asahidake and Soukryo Hot Springs** **Local Sake Brewers**
